)	CLOSING DOCKET

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Development Service, Inc.'s (DSI's) request to withdraw its Letter of Intent and to close the Docket. By letter dated November 21, 1994, counsel for DSI informed the Commission of DSI's desire to withdraw the Letter of Intent filed in February 1993 regarding rate changes.

On February 16, 1993, DSI filed a Letter of Intent with the Commission which indicated that DSI sought rate changes in its sewer service charges. DSI has not filed the necessary Application following its Letter of Intent and now requests that its Letter of Intent be withdrawn and this Docket closed.

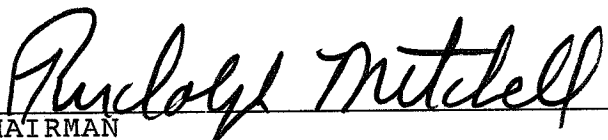

The Commission finds and concludes that DSI's request to withdraw its Letter of Intent regarding rate changes should be granted and that this Docket should be closed.

IT IS THEREFORE ORDERED THAT:

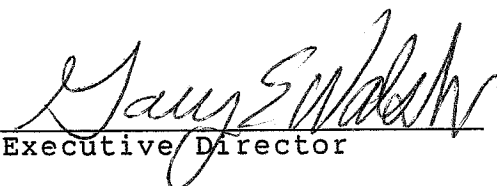

1. The Letter of Intent of DSI filed in February 1993 is hereby withdrawn.
2. This Docket shall be closed.

3. This Order shall remain in full force and effect until further Order of the Commission.
